Formally American Bank Equipment

July 19, 2007

Dear Valued Business Partner:

Allow us to take the opportunity to announce some exciting changes at American Bank Equipment. For over 21 years, American Bank Equipment has been the trusted provider of physical and electronic security to many of Nebraska's largest financial institutions. As Nebraska's exclusive Hamilton Safe dealer, we represent the highest quality bank equipment in the industry. It is because Hamilton Safe's commitment to product reliability, product flexibility and value, that we are able to offer the highest level of service to you and your customers.

Over the past 21 years, we have also seen much advancement in physical and electronic security. To meet these demands, we have hand picked suppliers to provide the best products available on the market. In recent years, we have added **DMP Alarm Products, Rapid Response Alarm Monitoring, ArcaTech Systems Currency Automation Products, Magner Coin Products**, and many others. As the marketplace continues to advance, we will continue to offer the best and most reliable products available, while maintaining our core products and services through the Hamilton Safe product line.

In keeping with the Hamilton Safe product line as our core focus, we will be changing our corporate name to **Hamilton Safe of Nebraska** effective **August 1, 2007** in an effort to capitalize on our market strength. We will still have the same ownership, same people, same great service, and same commitment to you and your customers, just a new name.

If you have any questions, feel free to contact us at (402) 397-8890.

Best wishes for a healthy, safe and prosperous summer.
