Press Release:

TMI, Corp. is proud to announce their appointment of Dan Sparks as National Sales Manager. Dan is responsible for coordinating both OEM and distribution sales in the North American market. Dan started his career with Diebold, Inc. as part of their engineering group, developing and designing locks and related hardware. Retiring from Diebold, Inc. after thirty-three years, Dan joined La Gard, Inc., becoming their Midwest Sales Manager and National Sales Manager for the gun safe division. A combined pool of talent in both sales and lock design, gives Dan the tools needed to move TMI, Corp. to the forefront of the Timelock industry. Dan and his wife Regina of thirty-eight years have two sons and are the proud grandparents of two girls.
